

## **Notice to Competitors #2**

### **Fleet Course Racing**

### **Boats Intending to Race but not Pre-Registered**

This information is provided in accordance with section 2.1 and 3.1 of the Sailing Instructions.

Section 1.7 is modified to clarify how boats that are not pre-registered will be regarded when they come to the race course for the first time.

- 1.7 All boats intending to race must be pre-registered to acknowledge acceptance of these Sailing Instructions and to declare a deputy skipper, if any. Any boat that starts a Fleet Course Race without pre-registering will be deemed to have read and accepted these Sailing Instructions, and will be invoiced for the annual registration fee and the PHRF Lake Ontario certificate fee.

These changes are made to allow the organizers to manage risks and liabilities, and to collect associated fees related to boats intending to race but who have not completed a registration form and not officially accepted the terms of the Sailing Instructions.
